

MAY THE ROAD RISE LYRICS

Verse 1

Like the waves of the ocean
crashing on the cliffs of Moher
the western winds a blowing
Along the Galway shore
From the high walls of Derry
To the rolling hills of Kerry
All across this Irish homeland
There a welcome at the door

Chorus

May the road rise to meet you
A smile always greet you
May our friendship be always
true and strong
as the Sun sets in the west
I wish you all the best
Please god we'll meet again
before too long

Verse 2

Oh The troubles of our world
we'll leave them at the door
We'll raise a glass to friends who've passed
remembering them once more
May the luck of the Irish
Be with you every day
Who knows what tomorrow brings
Let's live for today

Chorus

May the road rise to meet you
A smile always greet you
May your friendship be always
True and strong
as the Sun sets in the west
I wish you all the best
Please god we'll meet again
before too long
